

DATA SHEET

Xmatrx, i6000™ and OptiMax® Pipette Tips

Doc. No.932-XT145, Rev. No: G
Date of Release: 11-Sep-2024

Intended Use

This product is intended for laboratory use only. BioGenex pipette tips are optimized for use on BioGenex Xmatrx®, i6000™ and OptiMax® Staining Systems.

Specifications

BioGenex pipette tips are made of high-quality polypropylene and are RNase and heavy metals-free when untampered. Inner surface is extremely smooth and requires minimum wetting.
